

Relocating to Harrisburg City?

If you have a Section 8 Voucher and would like to move to Harrisburg City, your first step is to find out if your current housing authority will continue to pay your subsidy in Harrisburg. Harrisburg Housing Authority is NOT absorbing any new clients. This means that although you are moving, your current housing authority will still be responsible for your subsidy payments.

If they are not in agreement with this policy, then you will not be allowed to port to Harrisburg City.

If they are in agreement, then you will need your current housing authority to mail or fax your portability papers to the attention of:
